

Huntersville United Methodist Church

***Disciple Bible Study***

**Notes:**

- This is a small-group process that the leader FACILITATES, not teaches. All should participate, and no one should dominate.
- Our environment is one of openness and trust and every person matters.
- Confidentiality is CRITICAL! What is said here stays HERE!
- Time is important and we will honor the parts of the study, beginning on time and ending on time. On time is late and early is on time!
- Session 33 will be different. We will talk about that closer to time.
- Use all available resources, including maps, footnotes, cross references, and Bible dictionaries.
